Pay online...  
for peace of mind

ParentPay®

### Available to pay for

Parents can now book and pay securely online for a range of items using a debit/credit card or through PayPoint. Paying online gives you the peace of mind that comes with knowing that your money has reached the College safely and is used for its intended purpose.

- meals
- trips
- and more

### How to activate your account

- Step 1 - Have your activation letter ready
- Step 2 - Login at [www.parentpay.com](http://www.parentpay.com)
- Step 3 - Follow instructions to activate account
- Step 4 - Click on 'Items due for payment'
- Step 5 - Click on 'Alerts' to set text/e-mail alerts

## A ENDANCE/P NC ALI

## COMPLAIN P OCED E

1. The complainant should first contact the person or department involved in the complaint. If the complainant is not satisfied with the response, they should contact the Dean of Students or the appropriate administrator. If the complainant is still not satisfied, they should contact the Office of Student Conduct.

2. The Office of Student Conduct will conduct an investigation into the complaint. This may involve interviewing the complainant, the person or department involved, and any witnesses. The Office will also review any relevant documents or evidence.

3. Once the investigation is complete, the Office will determine the appropriate course of action. This may include a warning, suspension, or expulsion. The complainant will be notified of the results of the investigation and the actions that will be taken.

4. If the complainant is not satisfied with the results of the investigation, they may appeal the decision. The appeal process is outlined in the Student Handbook.

## CON AC ING HE COLLEGE

1. The complainant should first contact the person or department involved in the complaint. If the complainant is not satisfied with the response, they should contact the Dean of Students or the appropriate administrator. If the complainant is still not satisfied, they should contact the Office of Student Conduct.

2. The Office of Student Conduct will conduct an investigation into the complaint. This may involve interviewing the complainant, the person or department involved, and any witnesses. The Office will also review any relevant documents or evidence.

3. Once the investigation is complete, the Office will determine the appropriate course of action. This may include a warning, suspension, or expulsion. The complainant will be notified of the results of the investigation and the actions that will be taken.

LEARNING PPO

**LEARNING PPO**

## PHYSICAL WELL BEING MANAGE

Physical well-being management involves maintaining and improving the body's health and fitness. This includes regular exercise, a balanced diet, and adequate sleep. It also involves managing stress and avoiding harmful substances like tobacco and alcohol.

## PLAGIATISM

Plagiatism is the act of using someone else's work or ideas without giving them proper credit. This can include copying text, images, or audio without permission. It is considered unethical and can lead to legal consequences. Proper citation and attribution are essential to avoid plagiarism.

1. **Identify the problem.** The first step in the problem-solving process is to identify the problem. This involves recognizing the symptoms and understanding the underlying cause of the issue.

## DENEP EN A ION

2. **Analyze the problem.** Once the problem is identified, the next step is to analyze it. This involves breaking the problem down into smaller, more manageable parts and understanding how they are interconnected.

## D AND OCIAL PACE

3. **Develop a solution.** After analyzing the problem, the next step is to develop a solution. This involves brainstorming ideas and evaluating them to determine the most effective and feasible approach.

## D KILL \_ HO \_ O CAN HELP

4. **Implement the solution.** The final step in the problem-solving process is to implement the solution. This involves putting the plan into action and monitoring the results to ensure the problem is resolved.

## ACADEMIC ACHIEVEMENT

At the end of the semester, the students were given a final exam. The results were as follows:

and the University of Michigan. The program is designed to help students develop the skills and knowledge needed to succeed in a variety of careers in the field of health care. The program is a two-year program that includes a variety of courses and experiences that will help students prepare for a career in health care.

## WELL BEING AND MENTAL HEALTH ADVISOR

The Well Being and Mental Health Advisor is a position that is responsible for providing support and resources to students who are experiencing mental health issues. The advisor works closely with the campus health center and other campus organizations to provide a comprehensive range of services to students. The advisor also provides support and resources to faculty and staff who are working with students who have mental health issues.

## WELL BEING CENTER

The Well Being Center is a campus organization that provides a variety of services and resources to students who are experiencing mental health issues. The center provides a safe and supportive environment where students can receive support and resources from trained staff and peers. The center also provides a variety of programs and activities that are designed to help students develop coping skills and resilience.

The Well Being Center is a campus organization that provides a variety of services and resources to students who are experiencing mental health issues. The center provides a safe and supportive environment where students can receive support and resources from trained staff and peers. The center also provides a variety of programs and activities that are designed to help students develop coping skills and resilience.

## WORK EXPERIENCE

Work Experience is a program that provides students with the opportunity to gain hands-on experience in a variety of careers in the field of health care. The program is designed to help students develop the skills and knowledge needed to succeed in a variety of careers in the field of health care. The program is a two-year program that includes a variety of courses and experiences that will help students prepare for a career in health care.
